Mission

Manage TNI's efforts in supporting a national program for the accreditation of environmental laboratories by supporting the NELAP Accreditation Bodies (ABs) and non-governmental ABs (NGABs) recognized to accredit to the TNI Environmental Laboratory Sector (ELS) Standard, enabling stakeholders such as laboratories, proficiency testing providers and data users to effectively participate in the development of, adoption and implementation of, and compliance with the TNI standards.

Composition of the Committee

1. This is a balanced committee, with members representing each core TNI program.
2. Members serve staggered three-year terms.
3. Ex Officio members include TNI's Small Laboratory Advocate as well as the TNI Executive Director.
4. Associate members are allowed.

Objectives

1. Work in cooperation with the NELAP Accreditation Council (AC) to assist in implementing this program.

Goal: Provide timely and thorough review and feedback to NELAP AC on TNI standards, policies and SOPs as needed or requested.

- **Success Measures:**

- Review time does not exceed established timeline for the activity.

2. Work with the Consensus Standard Development Program Executive Committee to ensure that new or revised accreditation standards developed for this program are suitable for use by reviewing standards and by considering AB and laboratory needs early in the development process.

Goal: Utilize and maintain SOP 3-106 to ensure that suitability is being assessed in accordance with the needs of the ABs and accredited labs.

- **Success Measure:** Documents are successfully accepted as recommended.

Goal: Perform reviews in a timely manner to allow for conformance to the timelines established in SOP 3-106, 2-100, and 3-103.

- **Success Measure:** Review time does not exceed established timeline for the activity.

Manage development of Implementation Guidance (IG) in accordance with SOP 3-114, as needed. A standing subcommittee manages interactions with Expert Committees and IG preparers and provides draft final documents to LASEC for SIR and Implementation Guidance decisions that will move those products to the next step.

Goal: Subcommittee delivers draft final products (SIR responses and IGs) to LASEC for consideration at its next meeting.

- **Success Measures:**

- Determine validity of Standards Interpretation Requests within 5 business days from submittal, using criteria in SOP 3-105.
- Successfully resolve SIRs via written process so that 75% of interpretations result in a favorable AC vote.
- Timing of SIR completion meets the requirements in SOP 3-105.

4. Support the Training Committee's activities as requested, particularly around semi-annual presentations of the Mentor Session and Assessment Forum.
5. Prepare and deliver an Annual Report for the previous year and Work Plan for the coming year for the annual meeting or when requested by the Executive Director.
